Anti-vibration Mountings  
Machine mounts series TE

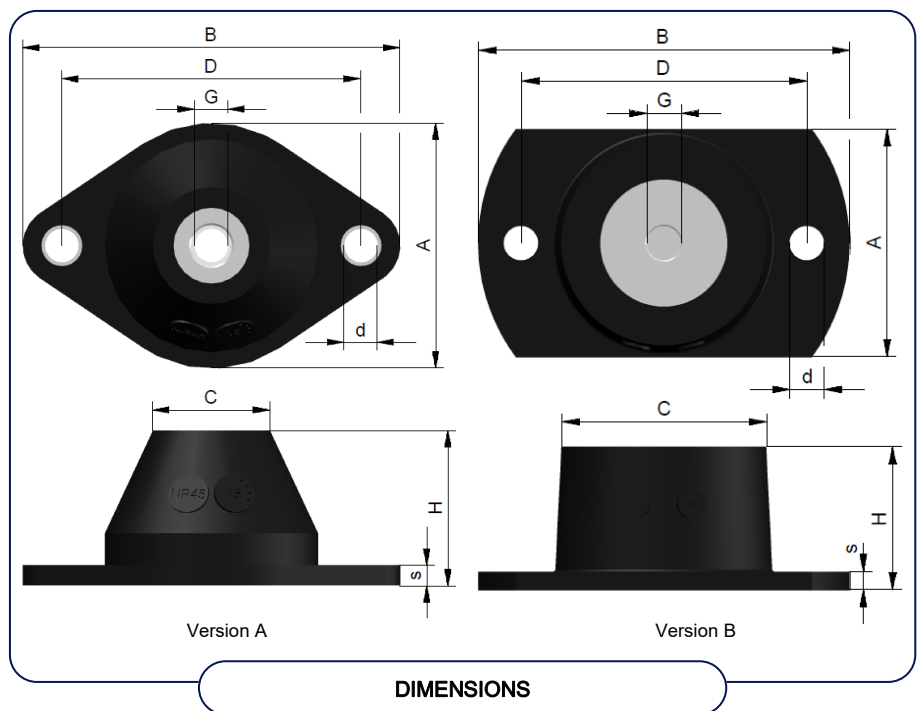

TE  
MACHINE MOUNT

### General

A viable solution to common vibration related problems can be found in our BK-mountings, they offer excellent vibration isolation for various applications.

Applications:

- Generators
- Engines
- Fans
- AC-units
- Cooling equipment
- Cabinets

Type	Version	Quality	Dimensions (mm)								Max. load (kg)	Cz stiffness (N/mm)
